Dear Taxpayer:

This is in response to your Oct. 14, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in March 1981.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Re: PETA: Alicia Machado Ad Unveiling

To Whom It My Concern:

This letter is to confirm that People for the Ethical Treatment of Animals (PETA) has retained PETA's in-house social media team to produce PETA: Alicia Machado Ad Unveiling on our behalf, filming on May 3, 2018. Any fees waived and/or reduced for this project by FilmL.A. on behalf of the jurisdiction that we will be filming in will result in an equivalent reduction in cost to PETA.

Please outline the intention of the project below:
PETA's in-house social media team will use mobile devices to film a live PSA unveiling for Alicia Machado's new ad that promotes spaying and neutering. This will occur at Downey Animal Care and Control Center and the footage will be used on Facebook, Instagram, and other social platform.
